

Seeking Committee Chair and Ministry Team Members!

Welcome to the Diocesan Older Adult Ministry

We invite the young, and the young at heart, to join our Diocesan Older Adult Ministry. The purpose of our team is to plan, implement and participate in programs for those seasoned in our midst. Current team members include Ann Thompson (St. Luke's, Live Oak), Nancy Noyes (Christ Church, Ponte Vedra Beach), Melody Marshall (Holy Trinity, Gainesville) and Loretta Steuart (St. James, Lake City; ECW representative).

We have a rich history of retreats to help our older members deepen their spiritual growth and are eager to broaden our offerings. Programs like these offer the chance to connect across congregations and generations, creating a spiritual space for celebration and recognition of the dedication our long-standing parishioners have provided throughout the years.

At present, the ministry's primary focus is the Celebrations of Marriages of 50 Years and More held in Jacksonville and Tallahassee every other year. Other innovative programs are in the developmental stages. Creative and new ideas are encouraged and welcome!

Our team is also actively seeking a committee chair person! We hope a variety of you will feel called to serve and look forward to the chance to work together on behalf of the Diocese.
