The Diocesan office is pleased to announce the appointment of our new Interim Executive Director of to Camp Weed and Cerveny Conference Center, Mr. Thomas M. Frazer, Jr. **(pictured)** from Montgomery, Alabama. He has been the owner and operator of Big Swamp Outfitters, Lowndesboro, Alabama. His business offered a fully guided outdoor adventure experience on a 4,000-acre site.

Frazer graduated from the Darlington School in Rome, Georgia and studied Wildlife Management at Auburn University. He is currently finishing a degree in Business Administration with a minor in French at Huntingdon College. Growing up he had an interest in modern languages and spent several summers in France in Normandy and Montpellier and in Switzerland.

Frazer's love for rural landscape and a setting like Camp Weed stems from his childhood love for his family's farm and riding horses as a boy with his grandfather. "The countryside has always been a place where I find peace," he says.

Frazer's background in land and game management, and experience in providing conference and resort style hospitality to guests and visitors will be useful as a Director to our Cerveny Conference Center. Additionally, he brings a commitment to the Church and an appreciation of the mission of Camp Weed and Cerveny Conference Center to serve the Episcopal Diocese of Florida.

As a boy Frazer attended the Episcopal Diocese of Alabama Camp McDowel in Jasper, Alabama. "The Camp McDowel experience literally solidified my faith and brought home to me the Episcopal Church as a center of community where faith is shared and strengthened," explains Frazer; "Camp Weed is a truly unique place - in the setting and in the people - the staff and those who come here for the programs". He looks forward to guiding Camp Weed and The Cerveny Conference Center as the epicenter of the Diocese where people will continue to come together in community to learn and grow together as a community and where they are given an experience of faith that they can take back to share in their church".
