## Give a Present of Life this Christmas

Ever have difficulty in thinking about a Christmas gift for someone? I know I do. You want to give something meaningful to someone who already has everything. Here is a solution that will maximize your gift and give them something they will never forget. This year's Episcopal Relief and Development's **Gifts for Life Catalog** features items for everyone on your shopping list. Your generosity can provide individuals and entire communities with the essentials needed to pull themselves out of poverty. Go online to <https://support.episcopalrelief.org/gifts> or look through the Gifts for Life Catalog provided to you congregation to select your Christmas gifts. Then in your Christmas card provide a gift card similar to the one below or donors can choose to send a customizable e-card or a beautiful printed card to tell the recipient about

the life-changing gift made in their honor. If you purchase your gift(s) before 31 Dec. your gift will be matched.
