

FAITH-BASED RESPONSE TO EPIDEMICS

An epidemic is a large-scale outbreak of an infectious disease, such as influenza or coronavirus disease 2019 (COVID-19).

Our role in responding, as churches, dioceses and compassionate Christians, is to:

- **Combat fear with knowledge in order to encourage preparedness and decrease stigma.**
- **Maintain operational continuity and continue worship life in the case of potential quarantine and disruption.**
- **Show God's compassion and care to those in our communities who are affected.**
