**About Grace Episcopal Church:**

Our charming historic chapel and main sanctuary provide the backdrop for our welcoming community. Our church was founded in Orange Park in 1880. The original chapel is still in use today. We are Christians committed to fulfilling God's Will by providing a home for people to worship and grow together, engaging and inspiring all generations. Grace is a parish family that worships God together, shares the Eucharist and responds to God's call to serve the community. We are committed to follow our name and extend the Grace of the Lord Jesus to everyone we meet and to serve others so that all will see the face of the Lord Jesus in us. We have a committed Vestry and lay members who lead our many parish and outreach programs. Music is a vital part of our parish, with a talented and faithful choir and Bell Choir. A key mission and outreach is to support our parish day school that is focused on providing a Christian education to Pre-K through 8<sup>th</sup> grade.
